

TANK CLEANING HOSE 250 PSI

Our Tank Cleaning Hose is designed with premium materials for resistance against abrasion, weather, and ozone, ensuring durability in demanding environments.

Tube: Smooth, black detergent resistant EPDM rubber

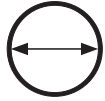

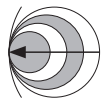

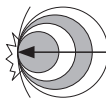

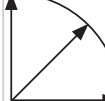

Reinforcement: High-tensile synthetic cord and 2 stainless steel antistatic copper wires for added strength and reliability.

Cover: Black EPDM with a cloth impression finish, providing excellent weather and ozone resistance.

Temperature Range: -30°C to +125°C (-22°F to +257°F)

Applications:

Ideal for use cleaning bulk storage tanks, containers and ships
