

GENERAL PURPOSE AIR HOSE 300 PSI

Our General Purpose Air Hose is designed for robust use in construction, mining, and pneumatic applications, such as rock drills.

It is built with high-quality materials to withstand harsh environments and ensure long-lasting performance.

Tube: Air, water, and oil mist resistant, smooth black EPDM blend.

Reinforcement: High-tensile synthetic cord for superior strength.

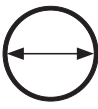

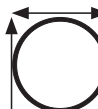

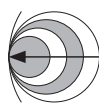

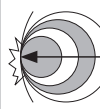

Cover: Abrasion, weather, and ozone resistant, smooth cloth impression, black EPDM blend.

Temperature Range: -30°C to +85°C (-22°F to +185°F)

Applications:

Ideal for use in the construction and mining industries.

Suitable for pneumatic tools such as rock drills.
