

HOT AIR BLOWER HOSE 150 PSI

Our Hot Air Blower Hose is engineered for rigorous use in compressor industries

It offers excellent resistance to harsh environments, ensuring reliable performance over an extended period.

Tube: Hot air resistant, black smooth EPDM

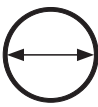

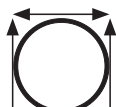

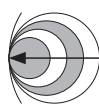

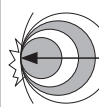

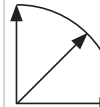

Reinforcement: High-tensile synthetic cord with steel wire helix

Cover: Abrasion, heat and ozone resistant, black EPDM.

Temperature Range: -30°C to +175°C (-22°F to +347°F)

Applications:

For transfer of hot air from compressor
