

WATER JETTING HOSE

Our Water Jetting Hose is built for reliable performance in construction and agricultural applications.

It is designed with premium materials for resistance against abrasion, weather, and ozone, ensuring durability in demanding environments.

Tube: Smooth, black SBR blend , water resistance

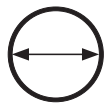

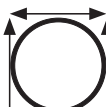

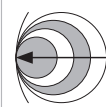

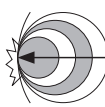

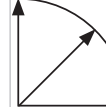

Reinforcement: High-tensile synthetic cord

Cover: Black SBR blend with a cloth impression finish, abrasion, weather and ozone resistance.

Temperature Range: -30°C to +85°C (-22°F to +185°F)

Applications:

Ideal for use water jetting applications
