

CHEMICAL UHMWPE DISCHARGE HOSE 250 PSI

Our High Pressure UPE Chemical Discharge Hose is engineered for reliability in chemical and acids applications.

Designed with superior materials, it offers excellent resistance to abrasion, weather, and ozone, ensuring long-lasting performance across industrial settings.

Tube: Chemical and solvent resistant white UHMWPE.

Reinforcement: High-tensile synthetic cord and antistatic copper wires.

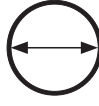

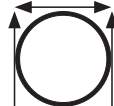

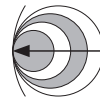

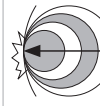

Cover: Weather, ozone and abrasion resistant, smooth, cloth impression green EPDM.

Temperature Range: -30°C to +80°C (-22°F to +176°F)

Remarks: Upon request other colours available.

Application:

Used for high pressure discharge of chemicals, acids and high aromatic solvents.
